

**Bro. Ed's Epistle**

*Do all this in prayer, asking for God's help. Pray on every occasion, as the Spirit leads. For this reason keep alert and never give up; pray always for all God's people.* Ephesians 6:18 TEV - The importance of prayer cannot be overemphasized. Paul repeated his admonition to pray throughout his letters. The context in Ephesians 6:18 is that we are in a Spiritual fight with the evil one who is scheming to defeat us. He urges us to stand firm and put on the whole armor of God. Prayer is the over arching requirement for our victory. God is moving in our church and community. The evil one will double his efforts to defeat us. We will only prevail as we persevere in prayers.

I thank God for your wonderful response in preparation for revival and in the revival services. I urge you to keep your guard up through continual prayer. I am so grateful to have the privilege of serving God with you. God truly is so good!

Our love and sympathy to Charlotte Seabury, Marsha Lambert, Tom & Ted Seabury and families in the death of her husband and their dad, Bob Seabury.

Thank you

Dear friends, thank you so much for the calls, cards, gifts, and many prayers you offered up for me during the time I have been sick and in the hospital. God has been so good to me to give me this Church family and Sunday School Class. I really appreciate you all and love you.

**Harry's Heartbeat** – Recently we saw on the news the reaction of people and furniture being tossed to and fro by an earthquake. If I remember right no one was killed even though everything ended up in shambles. A good example of our country. Everything seems to be coming apart since we decided we didn't need God and so we eliminated the Bible, prayer and God and made murdering unborn babies legal. Maybe it's time our leaders and America as a whole need to go back and read the history of Sodom and Gomorrah. Dr. George Adam Smith says: "Here was laid the scene of the most terrible judgment on human sin."

If America continues on her present path, I wonder what history of the next century will say about God's judgment on us. God will either have to judge America or have to apologize for His wrath on Sodom and Gomorrah.

It's not too late! Going back to the earthquake, if everything had been lashed to an unmovable object, everything would have remained stable. As a nation and as Christians, we need to lash ourselves to Christ by faith and when the storms come, we will be safely lashed to the Rock of Salvation.

I love you Harry

**LLOYD'S LINES – GOD WALKS WITH HIS PEOPLE**

– "I will walk among you and be your God and you will be my people." Lev. 26:12. God promises to bless us today as well and He calls us to be faithful. God walks with us too, He is our God and we are His people. And today, through Jesus Christ we have the Holy Spirit to help us walk faithfully with God. Let's thank God today for Jesus and the Spirit, who helps us to live by the Word of the Lord. I love so many of the old hymns. Especially the one that says, "And He walks with me and He talks with me, and He tells me I am His own, And the joy we share as we tarry there, none other has ever known." And I am so thankful for the promise I Cor. 6:19-20 that gives me assurance that "I am not my own, and I was bought with a price" and again I can sing the words of another old song that says, "Jesus my Lord will love me forever, From Him no power of evil can sever, He gave His life to ransom my soul, Now I belong to Him, Now I belong to Jesus, Jesus belongs to me, Not for the years of time alone, but for eternity." Just sing along with me the words of these old hymns.

You've heard it from me time and time again but aren't you so glad to be a part of a Fellowship of Believers like those here at dear old Fairfield Highlands Baptist Church? I sure am and I look forward to every service here just to see what the Lord has in store for us. Today I would challenge you to invite someone to come with you today to Fairfield Highlands Baptist Church "Where GOD is blessing." Then promise to pray for each other every day. Lift up the name of your staff every day to the Lord. . And just remember . . . GOD LOVES YOU AND SO DO I. "SING-cerely" Bro. Lloyd
