Bro. Ed's Pray without ceasing". I Thessalonians 5:17

We began our fifty days of prayer for revival this week, and God has already spoken to me regarding some things I need to change in my own life. Many of our people have taken the spiritual preparation guide, "Sweet Hour of Prayer" and are using it each day to help pray for a spiritual awakening in our church. If you did not receive a copy, please pick one up at the church or call us and someone will bring you a copy. The most important thing is to pray. Pray for our revival team, Dr. Don Graham and Dale Jones. Pray for our church staff. Most of all pray for each other and yourself, that God will do exactly what He wants to do in our church. I am convinced that God wants to give us a harvest of souls, but we must prepare for it. The way to start is to "pray without ceasing".

Thank you for all you do to make our church special. Thank you for joining us in our fifty days of prayer for revival.

PRAY FOR OUR REVIVAL – AUGUST 28 THRU 31 - INVITE PEOPLE TO THE REVIVAL TO HEAR – DON GRAHAM & DALE JONES

Thank You - Dear Church Family, Webster did not give us a word that would adequately thank you for every expression of your love to me and all my family last Sunday. I have always said the folks at FHBC are some of the greatest people in the world. Please continue to pray for me as I continue to pray for you. I love you all, Robert

Our love and prayers go out to the family and friends of Elizabeth Roberts in her death, and to Tommy Price and family in the death of his mother, Virginia Price.

LLOYD'S LINES -REACHING OUT - Years ago "Ben Franklin stores" was a major retail chain of stores. Many of their customers came from rural areas to shop. A young observant employee recognized that some had a difficult time getting to a store and he asked if he could open some stores in those areas. When they refused his request, he resigned and took his stores to the people. As a result of his vision, SAM WALTON'S name is known around the world and Wal-Mart stores are everywhere. He did not expect people to come to him. One day Jesus said to Simon while fishing "Now go out where it is deeper and let down your nets and catch some fish." And when he followed the advise of Jesus, the results were amazing. Jesus also left a message to each of us. "Go into the world and make disciples." Fish never came to the fisherman - the fisherman always go where the fish are. So, like Sam Walton, let's go to the people. With this example in mind, let us prepare ourselves for the Revival in August. The fields are white unto harvest so lets go after them and win some to the Lord.
REVIVAL-August 28th - 31st with Evangelist Don Graham. We will be having preparation days leading up to the Revival. So begin now to pray for these days of Evengelism Outreach in our commuity. May our prayers be "LORD SEND A REVIVAL AND LET IT BEGIN WITH ME."
Remember our Fifth Sunday here on July 31st. You will be blessed in the evening service when we welcome the Amazing Grays" Senior Adult Choir from FBC of Pleasant Grove. We will have a church wide fellowship immediately following the service. Begin now to invite others to be a part of this day here on the Highlands. And as always-GOD LOVES YOU AND SO DO. Bro. Lloyd
