Bro. Ed's Epistle "Lord, break my heart with the things that break yours."

Bro. Don asked us to pray this prayer seriously during our revival. I trust you are still praying that prayer to the Lord. It will result in a state of continued brokenness of our hearts towards God. That will result in a continued work of revival among us. We have been truly revived by God's mighty hand. But we need to have that work on a continuing basis. Join me each week in asking God to "break our heart with the things that break the heart of God."

LLOYD'S LINES-*"Trusting God when life is barren - Though the Fig Tree does not bud... and the fields produce no food... I will be joyful in God my Savior."* Habakkuk 3:17.

Sometimes life is a wilderness. You could lose your job, develop cancer. In dry land our trust can face heavy attacks. Why does God allow such things to happen to us? Habakkuk lived in a moral and spiritual wilderness. Israel's suffering was a consequence of sin and disobedience. Likewise all the pains and heartaches are effects of sin. Maybe you have failed in some part of your life. Maybe you are struggling to hold things together. Take comfort. Even when life is a wilderness, God never fails his people. He will never leave or forsake you. Trust in HIM, and HE will strengthen you. And as always, I point to Proverbs 3:5-6. Read it again today.

Well, here we are in September. Time goes fast and God continues to bless this fellowship of Believers. Exciting days are ahead for us. The month of August was a tremendous month for us. We continue to move on with the leadership of Bro. Ed. Continue to pray for him, Bro. Harry, and me and for each other and just remember . . . "GOD LOVES YOU AND SO DO I."

SING-cerely, Bro. Lloyd

HARRY'S HEARTBEAT -WOW! That describes the services we experienced during our church renewal service. Bro. Don Graham was truly anointed by God's Holy Spirit as he made preparations for each message. They were not only inspirational, but they were congregational enlightening. Andy Griffin would say, "they hurt." Anytime God's truths are preached in purity and love, they convict. The message "To him that knoweth to do good, and doeth it not, it is sin," brought many to their knees at the altar, during invitation time. Thanks Bro. Don.

To Dale, the musicians and the choir, we say thank you for preparing us each service for the message. To those who blessed us with the special music, you did a beautiful job of carrying on the tradition of this great old church. To God be the glory! And to those who gave of their time and effort, over the past several months, to deliver the Bibles and Tracts to approximately 2000 plus homes, I thank you and God will bless your faithfulness. And last, but not least, thanks to Burry and Maxine and Susie for hosting our Cottage Prayer Meeting and to the Prayer Warriors who attended. God heard and He will answer. That's a promise. If I left out anyone, it was a mistake of the head, not the heart. Now let the REVIVAL begin.

I love you, Harry
