Bro. Ed's Epistle - "Then the crowds who went ahead of Him and those who followed, kept shouting Hosanna to the Son of David." Matt. 21:9

One week before his resurrection, Jesus entered Jerusalem accompanied by shouts of "Hosanna to the Son of David." It was quite a spectacular event that caused the Chief Priests and Scribes great consternation. They were blinded by their hatred and prejudice. They missed the significance of the crowd's cry. "Hosanna" was not only a shout of praise. It was also a prayer for salvation, literally meaning "Lord, save us." All who know and follow Jesus have experienced that salvation and have the privilege of telling the good news of that salvation to the whole world.

I thank God for a church that praises Jesus and works to share the gospel with the whole world. I look forward to our times of worship and witness this week.

We welcome our new member Judy Elaine Owens into our Church family.

God still makes house calls; all you need to do is answer the door.

HARRY'S HEARTBEAT- All Summer I have been constantly reminded that everything depends on something or somebody, whether it's people or plants. I have tried to give my garden and flowers tender loving care every day. Trying to combat the high humidity, extreme temperature and lack of rain. Regardless of what I did, late in the afternoon the leaves looked wrinkled, droopy and lifeless, as if they were dying. However, it was amazing to see how they would revive over night after a good supply of water. Therefore it was imperative to care for them every afternoon.

As I pondered over this, I wondered if this could possibly be compared to the Christian life. Like the elements of nature, Satan has so many weapons to throw at us that could cause us to become droopy Christians, if we allow them to separate us from our sources that revive us. Worship, bible study, praying, daily fellowship with our living water, Jesus. John 4:6-14. Be on guard. See you Sunday. I love you, Harry

Thank You- Thank you so much for your love, your prayers and for the flowers for Mom. She loved this church so much. She is no longer in pain, but rejoicing with the angels. I love you and thank God for such a praying church. Love in Christ, Karleen Hill & the Phillips Family

LLOYD'S LINES-"SPIRIT OF THE LIVING GOD FALL FRESH ON ME" - The words of that chorus rings out in my heart today. Remember it was the hymn of decision that Bro. Don used in the last service of Revival. It goes on to say BREAK me, MELT me, MOLD me, FILL me. Most of our people knelt and made commitment of our lives that night. Let's just remember to apply it to our lives daily. I have been in lots of Revivals but this one stood out as one of the greatest that I have been privileged to be a part of. May the spirit of Revival remain in our hearts and lives till Jesus comes. Thanks to Bro. Don and Bro. Dale for leading us in the Holy Spirit lead Revival.

Here we are September of 2011 and time marches on. The service of last Sunday, Sept. 11th was a reminder of what happened on 9-11. Let's not forget the families of those who lost loved ones and friends in this tragic event that our country experienced.

Looking forward to every service here on the Highlands just to see what the Lord is going to do for this body of Believers.

Just continue to remember to pray for each other, the staff, and always remember . . . "GOD LOVES YOU AND SO DO I." "sing"-CERELY, Bro. Lloyd
