Rev. Ed's Epistle– We are grateful to our Church Family for contributing \$1570.00 to Samaritan's Purse. The WMU received the following thank you note from Franklin Graham.

Dear Friends, I am writing to thank you for the generous gift you recently sent to Samaritan's Purse designated for Operation Christmas Child (OCC). We are truly grateful for your support in making a difference in the lives of children around the world. We thank God for the record number of gift-filled shoe boxes to children in 111 countries around the world. Each Box is an opportunity to share God's love and Good News of Jesus Christ. "in this the love of God was manifested toward us, that God has sent His only begotten Son into the world that we might live through Him." (1 John 4:9). Sincerely, Franklin Graham

HARRY'S HEARTBEAT- Job Ch. 14:14 asks the question, "If a man die, shall he live again?" He uses a grain of wheat to answer the question.

Matter though mute and inanimate, though changed by the forces of nature into a multitude of forms, can never die. In Cairo, there are grains of wheat that have slumbered for 3,000 years in an Egyptian Tomb. If one of those grains of wheat had been planted upon the banks of the Nile the year after it grew, and all its lineal descendants had been planted and replanted from that time until now, all its offspring would today be sufficiently numerous to feed the teeming millions of the world.

There is in the grain of wheat an invisible something which has the power to discard the life we see and from the earth and air, fashion a new grain of wheat so much like the old one that we cannot tell one from the other.

If this invisible germ of life in the grain of wheat can thus pass unhampered through 3,000 resurrections, I shall not doubt the Word of God in 1st Thessalonians 4:13-18 where God answers Job's question. YES! Christians will live throughout eternity. Will you be included? I love you, Harry

LLOYD'S LINES

"Where are the Simon's?" – Mark 15-21 – A certain man, Simon, was passing by and they forced him to carry the cross of Jesus. In those days, criminals to be crucified had to carry to the place of crucifixion, their own cross but Jesus was so weak from floggings that a passerby named Simon was pressed into service. Simon was only passing by but was forced to carry the Cross of Christ. Often you hear hurting and overburdened people say, "This is the Cross I must bear." These dear people need burden bearers. They need help and in a way their unspoken plea may be, "Where is my Simon?" But who will help? Like Simon, you may see yourself as an innocent passerby being forced into service. Helping someone who just got out of the hospital, lending a hand to a neighbor who has been diagnosed with a terminal illness, helping a friend or even a loved on who is going through financial difficulty. Do it and you'll discover the privilege of being someone's Simon. (Taken in part from "Diamonds in the Dust" by Joni Ereckson"

Remember our "Fifth Sunday, January 29th – 6:00 P.M. Special guest will be Mr. Frank Nelson, Minister of Missions North Highlands Baptist Church. He will present a full concert of music that will bless and inspire you. Churchwide Fellowship following the service. Sandwiches, dips, chips, drinks, and desserts. Invite a friend to come with you. You will be blessed. See you Sunday just to see what the Lord has in store for us at the Highlands. And just remember . . .God loves you and so do I. "SING-cerely, Lloyd
