THANK YOU

Thanks for another great 5th Sunday lunch. If you helped set up, brought a dish, made coffee, poured tea, washed dishes, wiped tables or took out garbage, this day couldn't have happened without you. Thanks for all your hard work. I appreciate you all.

A special thanks to Patty Massey for loaning us her Lighthouses. Barbara

Dear Church Family,
It's hard to know what to say to people who have been a part of you for so long. I love you all & thank you for your kindness & helpfulness all these years and for just being there, listening & praying. Thank you for the generous gift of money, the many cards, and retirement advice. I love and will always pray for you. Nancy God is so good.

Our Love and Prayers go out to Sissy and Tommy Walton and family in the death of Tommy's mother, Rosemary Hollinghead

BRO. ED'S EPISTLE

"...she herself has also been a helper of many, and of myself as well." Romans 16:2

Paul commended Phoebe to the roman church with the words of praise in our text. No higher compliment can be uttered than that one is a helper. We commended our own Nancy Gilmore with similar words this week. Nancy has helped all of us for more than 26 years, and we are grateful for her service.

Congratulations on your retirement, Nancy!

We are thankful that God has given us Susan Gilliam to help us as we go forward. She has unique gifts and qualifications which will be a blessing to us all. I encourage you to receive her as you did Nancy, and pray for her as she ministers with us in a great mission field.

I love you and look forward to worship and fellowship with you on Sunday.

HARRY'S HEARTBEAT- The following tribute was written by a tenth grade Indian girl, Isabelle, who is one of the almost too cool students at Red Cloud Indian School Pine Ridge, So. Dakota Indian Reservation.

The Hero In Me

She smiles, she laughs, she hurts, she cries.

She holds it all deep inside.

She lives, she flies, she soars

She dies.

She is the one I idolize.

She loves, she gives, she cares,

She is.

The one I know I will someday Be

A hero, a mother, a child, a soul,

The Woman inside of me.

Happy Mother's Day - - - I love you.

Harry

LLOYD'S LINES – Next Sunday is Mother's Day. A verse in a hymn says "God Give us Christian Homes, homes where Mothers in caring quest, strives to show others your way is best, where the Lord is an honored guest." That pretty much tells the story of my Mother. She led the way in our home. I shall always love my Mother who set the example for my brother and two sisters. So honor your Mother as we gather here for Mother's Day. If your Mother is still living then call her and tell her how much you love and appreciate her.

The month of April was another great time for us here on the Highlands. The Choir blessed us with the Easter Musical the first Sunday and ended on the fifth Sunday with another great day wiith Bro. Duke and Randy.

And now we are in the month of May and it too will be another great time with the Lord here. So remember and circle the dates for the month.

May 13th Mother's Day

May 20th – In the Evening service Bro. Buddy Majors will bless us with a musical mini-concert just before the evening message by Bro. Ed.

So be faithful in your giving and in your attendance. And as always pray for your staff and for each other and just remember . . . God loves you and so do I.

"SING-cerely" Bro. Lloyd
