LLOYD'S LINES - "HOW GREAT IS OUR GOD" - Sing with me *How Great Is Our God* and all will see how great our God is. Those are the words from a song that has captured my heart and everyone is in love with it. And that is the way I feel today as I write my column for the newsletter. His presence is so real in all of our services here on the Highlands. And aren't you glad to be a part of this fellowship of believers? I sure am. And time marches on. Here it is in September and with it comes football season. Be sure and root for your favorite team but always be Christian about it. We will be having some great things going on here so watch your Bulletin and the Alabama Baptist.

Another Fifth Sunday comes on the 30th. Let me tell you about it, many of our Senior Adults who sang in the Senior Choir here are joining with the Senior Adult Choir of Pleasant Ridge Baptist Church. They are working on a musical and it will be presented here in the 6 P.M. service of the 30th. The Pleasant Ridge fellowship will join in with us for the service. After the presentation we will have a joint time of fellowship in the Fellowship Hall. This choir is under the direction of Mr. Jonathan Riddle. I can guarantee you a blessing so mark your calendar and start inviting others to join us.

In the meantime don't you dare miss a single service here (WHERE GOD IS BLESSING). Remember to pray for your church staff, for each other and as always . . . Remember that God LOVES YOU AND SO DO YOU I. SING-cerely, Bro. Lloyd

HARRY'S HEARTBEAT- The story is told of a man who got himself into a sad state of mind because of his condition that one person and particular himself, was of little good in the world. He decided to take a trip at sea in the hope of ridding himself of his problem.

One dark evening at sea, shortly after he had gone to bed, he heard the cry "man overboard!" He was in his pajamas; he could not swim or man a lifeboat. What could he do? He reached for his flashlight and directed its beam from the porthole upon the sea. The light fell upon the man in the water, to whom a life preserver was then thrown and a life was saved.

As I read this, I began to think about my life. The question has often come to my mind. What can I, one person, do that would make a difference in people's lives. How many times in my life have I heard the Lord say, "Man overboard." I had the light of the gospel and I failed to respond? "What saith the Lord?"

Ezekiel 33:7-8, "Son of man, I have made you a watchman for the house of Israel; so hear the word I speak and give them warning from me. When I say to the wicked, O wicked man, you will surely die, and you do not speak out to dissuade him from his ways, that wicked man will die for his sin and I will hold you accountable for his blood."

Be listening! Between now and our revival, you just may hear the God saying to you "Man Overboard." A friend, relative, co-worker, neighbor. Don't be guilty of their blood. I love you, Harry
