We look forward to many more years of ministry with you.*

**LLOYD'S LINES** - This week the spot light is on the Sunday School - we have a very strong emphasis on Bible Study. Our director is Charlie Marlow and assisting him is his lovely wife, Sharlene. They make sure that you get your Bible guides each quarter. This dedicated couple does so much behind the scenes here. They do so much decorating for the special things going on here along with many other things. Thanks Charlie and Sharlene, we love and appreciate you both. Our Sunday School is staffed with many qualified and dedicated teachers. They are: Jean Jones class-Jean Jones, Son Shine Class-Ann Latty, Auditorium Class-Guy Sellers, Fellowship Class-Evelyn Cruce, Friendship Class-Margaret Hardy & Addie Lee, Curtis Jones Class-Winston Massey, Terrell Anderson Class-Terrell Anderson, Keystone Class-Jimmy Gilmore, and our substitute teachers are Louise Patterson, Don Davidson, and Harry Sims.

In addition to many of them singing in the choir and serving on various committees, they are a vital part of this fellowship. Thanks teachers, we love you.

Just a reminder of our FIFTH SUNDAY next Sunday. The 6:00 pm service will feature the Senior Adult Choir from PRBC and some of our Goldtoners, in the musical "Bound for Glory." You will be blessed. A Churchwide Fellowship following the PM service. Call others and invite them. And just remember . . . God LOVES YOU AND SO DO I. SING-cerely, Bro. Lloyd

**HARRY'S HEARTBEAT**- Thank you Lord for all the wonderful showers you have been giving us. They were an answer to many prayers, as the heat dropped back below 100 degrees. As with many other things in life, attitude makes a difference. For instance, not long ago when my little great grandson Harrison was going to Vacation Bible School, I told him I was sorry that it was supposed to rain all day and they couldn't go out and play. Do you think he went along with my negative assessment of the day? No Way! His only remark was, "it will stop raining in a little while."

On one particular rainy day as I went from place to place, the comments on the weather were according to the attitude of those I met. One said, "This rain could not have come at a worse time, I had lined up a man to haul dirt and level off my yard." Next someone said, "I love this weather, everything looks so fresh and green." Then another said, "This rainy weather makes me miserable and makes me hurt all over." I remember something Bro. Buck used to say, "People don't grow up and develop a griping and negative spirit, they were born with it and had a relapse." There has always been two kinds of attitude. Even in our churches, from the first church in Jerusalem until now, those "fer" and them "against." Which group do you belong to? Positive or negatives???? God gives us our orders in Psalm 118:24.

I love you, Harry
