### BRO. ED'S EPISTLE

**Now we believe... for we have heard for ourselves and know that this is indeed the Christ, the Savior of the world" John 4:42**

When Jesus encountered a Samaritan woman at a well near her city of Sychar, she was gloriously saved and went back into the city and told others what Jesus had done. The whole city came out to meet Jesus. They convinced Him to stay with them for two days. At the end of that time, they made a startling confession that most Jews had not yet realized: Jesus is the Christ, the Savior of the world. If a sinful Samaritan woman can influence her city to come meet Christ, how much more should we share Jesus with our cities? May we be faithful to bring people to Jesus. I thank God for you and look forward to worship and fellowship with you this week.

### LLOYD'S LINES

"The Lord's mercies ... are new every morning." The theme for the morning service a couple of weeks ago was based on the hymn "Great is Thy Faithfulness." Many of you have requested this hymn and one of the Sunday School lessons was based on this hymn. I have requested you to give me a list of your favorite hymns and choir specials. So far, the only one who granted my request was Bro. Ed. I'm so glad for a Pastor who loves music. He blesses our hearts with special music from time to time. Thanks Bro. Ed. We love you and what a blessing to work side by side with such a godly and talented man of God. Praise God for sending Evelyn and Bro. Ed to us.

Next Sunday, Sept. 29<sup>th</sup> is our last Fifth Sunday for 2013. So for the Sunday Evening service we have asked Tonya back. As our special guest, she will present a full concert. She is in the midst of producing another CD for her ministry. We will be taking a love gift to help this endeavor. We will have a church wide fellowship with sandwiches, chips, dips along with desserts. Many of you will be asked to help. So bring these things along and invite others to come with you and let's have a great attendance.

Another SOS from Bro. Lloyd is new members for the choir. So if you have ever considered joining the choir, now is the time. We have lost several members due to sickness and other things. We are beginning to work on our Christmas musical "Bethlehem Morning." We NEED your voice in our business. Looking forward to another great day on the Highlands next Sunday and as always, remember God loves you ad so do I.

"Sincerely" Bro. Lloyd

### HARRY'S HEARTBEAT- Do you remember this?

I do even though it's been awhile. In your class while learning the "Palmer Method" writing style (A historic art.) No matter how good you could form your letters, if you had to correct a mistake by erasing, you were penalized on your grade. No excuse accepted.

Remember those spelling tests? You began the test, wrote down a word and then realized it didn't look right. Then you remembered after racking your brain how to spell it correctly. But, by this time you discover that, during all the frustration you had chewed the eraser off your pencil. Another missed word penalty.

I find that in my life as a Christian there are some similarities to the above. I have and will continue to make mistakes daily. Some little - some big. Some demand an apology (eraser) to a person or persons. Others are sins against God and can only be erased by the grace of God. Through prayer, God has promised me a permanent eraser with no penalties. 1st John 1:9. If we confess our sins, he is faithful and just to forgive our sins and cleanse us from all unrighteousness." God is so good!

I love ya'll, Harry

P.S. For all you upstarts (50 or less) the Palmer Method made writing legible. No texting.
