**Bro. Ed's Epistle –**

"Receive him therefore in the Lord with all gladness; and hold such in reputation."  
 Philippians 2:29

Paul expressed great appreciation for Epaphroditus who was carrying the letter to the church at Philippi. Epaphroditus had brought a gift from the church to Paul, and had remained in Rome to help Paul in the ministry. In time he had become sick, and word may have filtered back to Philippi that he had died. Paul sent him back home with a great commendation. He called Epaphroditus his brother, fellow laborer, fellow soldier, messenger and minister. He urged the church to rejoice with him and to recognize one of such high character.

It is an example for us as well. In the past, we have recognized people whom the Lord has used in our church. On March 30, we are going to have the opportunity to show our appreciation to Joe Hosmer, who has served our church faithfully as a deacon and treasurer for over 41 years. I know you will look forward to that day, and I urge you to express your love for Bro. Joe and his family. We will have Bro. Buck, Randy and other former members to rejoice with us on that day.

I thank God for you and pray for you, that God will continue to use us for His glory.

**Lloyd's Lines - Homecoming on the Highlands**

That is the theme for our Fifth Sunday of March, March 30<sup>th</sup>. It is going to be an exciting day in the life of our Church as we welcome back Bro. Duke and Bro. Randy Harwell. But we need your help in getting the word out. So if you have friends or family members who were here during the ministry of these two men please phone them or let them know of this day. We are going to use every way to get the word out through the Alabama Baptist, our Bulletins, etc... We will start the morning service from 10:30 – 12:00 Noon. After the service we will have a Church Wide Covered Dish Luncheon. There will be no Evening or Night Services. So please lend support and pray for this very special day. If you have suggestions, then let us know.

The Lord continues to bless this fellowship of believers, So continue to invite others to come back and worship with us. Continue to pray for your staff, each other and just remember... God Loves You and So Do I... Sing-cerelv. Bro. Lloyd

**HARRY'S HEARTBEAT** – Three doctors were on their way to a convention when they had a flat tire. The first doctor said, " I think we have a flat tire." After they got out of the car, the second doctor said, "It sure looks flat to me." The third doctor said, "It feels flat to me." Then, nodding in agreement, they said, "We better run some tests." Amazingly, not one of them called it what it was, a flat tire. A flat tire is an absolute. Sound familiar?

According to today's philosophy there seems to be no absolutes. Webster defines absolute this way. Outright - unmitigated - having no restrictions - no exception - free from mixture - undeniable - infallible.

Regardless of what my president, Supreme Court, Federal Judges, some people and some groups believe, there is one absolute. God's Word !!!

Mat. 5:18 Jesus said, "I tell you the truth, until heaven and earth disappear, not the smallest letter, nor the least stroke of a pen, will by any means disappear from the Law of the Prophets until everything is accomplished."

**THAT MY FRIENDS IS AN ABSOLUTE! Wake Up America.**

See you Sunday. I Love You , Harry
