Bro. Ed's Epistle – "For lo, the winter is past, the rain is over and gone; the flowers appear on the earth." *Song of Solomon 2:11-12a*

Spring is here, at least on the calendar. It is my favorite time of year. Dormant trees and flowers come alive with color, and the temperature moderates. The pollen and violent weather are the only negatives of Spring. The best part of Spring, however, has nothing to do with the weather. It is the time of year when we celebrate the resurrection of Jesus. It is the most central truth of our faith. Everything we believe depends on the resurrection of Jesus. It is the reason we worship on Sunday instead of Saturday, for He rose on the first day of the week. So join me in renewed commitment to celebrate Jesus' resurrection every Sunday, beginning this week.

Lloyd's Lines I'm singing the old song "*What a Day That Will Be*" as I'm thinking about next Sunday and "**Homecoming on the Highlands**". I've used every means of getting the word out as I have sent it to the Alabama Baptist, The Western Star, and in the Bulletins and Newsletters every week. Bro. Bob Owens has contacted his brother to get it announced on the Radio Station WDJC. But the greatest thing that you as a member of FFHBC can do is make calls to your Family members and your friends, inviting them to be a part of this day with us. Will you please do that? I am sure we are going to be blessed with the music from Bro. Randy and Robbie Elliott and the message from Bro. Duke. I am so excited about the day.

And then next week will be the month of April and we will be celebrating EASTER. We will be singing the great Easter Hymns and the Choir and other Specials will all be about **JESUS, the Cross and the Resurrection Story**. Get ready for a great month here at Fairfield Highlands Baptist Church *WHERE GOD IS BLESSING*. And just remember ... **GOD LOVES YOU AND SO DO I.** SING-cerely, Bro. Lloyd

Harry's Heartbeat – Watch What You Worship: IT IS IRONIC, although probably not accidental, that one of the most popular television shows of the past ten years is called American Idol. In twenty-first century America, our attitudes toward celebrities are certainly a form of idol worship. We have to be aware of this phenomenon with our own family's success through Duck Dynasty.

Our family does not want to be idolized, and more important to us, we don't want to idolize anything except our heavenly Father, His One and only Son, and the indwelling Holy Spirit. God knows our tendencies to worship flesh and blood, wood and stone, precious metals, or currency, and He warns us to stay out of that trap - which will always let you down, by the way. I only want to bow the knee to one true God of all!

"You shall not make for yourself an image in the form of anything in heaven above or on the earth beneath or in waters below. You shall not bow down to them or worship them." Exodus 20-4-5 Willie

Taken from "Duck Commander Devotional." See you Sunday – I love you, Harry
