Bro. Ed's Epistle –

"It happened that while Jesus was praying in a certain place, after He had finished, one of His disciples said to Him, "Lord, teach us to pray...." Luke 11:1

The importance of prayer to Jesus cannot be overstated. It was so remarkable to His disciples that they requested Him to teach them to pray. His response was to give them the model prayer and then followed up with some [parables and instructions about prayer. As we examine this passage, may we be as eager as Jesus' first disciples to learn from Him to pray. The key is not just the words we say. It is that we just need to be faithful to speak to and listen to our Lord.

Join with others this week as we pray, worship and fellowship with our Lord.

Lloyd's Lines – Psalm 150:1-6 "GOD WILL MAKE A WAY"

Are you facing a difficult time in your life? It's still a fact that all of us face tough times. But tough times don't diminish the reality of HIS presence. Darkness will fall and clouds do gather, shadows will come but our confidence in HIM need never be shaken. And when we face difficult times and trials, HE will be with us ... to make a way. There is a little chorus that I'd like to share with you. It says ,,,"God will make a way, where there seems to be no way. HE works in ways we cannot see, HE will make a way for me. HE will be my guide, hold me closely to HIS side. With strength for each new day. HE will make a way, HE will make a way. These have been precious to me especially in the last few days of my sickness. I hope the words will bless you today. And remember..."God Loves You and So Do I" Sing-cerely Bro. Lloyd

Harry's Heartbeat –

God's word says, "The heavens declare the glory of God." Speaking of heaven, God's word says, "The city does not need the sun or the moon to shine on it, for the glory of God gives it light." Rev 21:33. God's glory is best seen in His son Jesus. Jesus illuminates God's nature. Because of Jesus, we are no longer in the dark about what God is really like. (John 14:7)

Rick Warren says, "God's inherent glory is what he possesses because he is God. It's His nature and no one can add anything to it. But as a Christian I am commanded to recognize his glory, honor his glory, declare his glory, praise his glory, reflect his glory, and live for his glory."

Now how can I do this? I can bring God glory by worshipping him. Worship should be my first responsibility to Him. I bring glory to Him by loving other believers. When I was saved, I became a part of God's family. I bring glory to God by becoming more like Christ. The more that I develop Christ like character, the more glory I bring to the father. Lastly, with God's help, I bring glory to Him by serving others with my gifts and testimony.

We used the following letters from a chorus as our camp them at Winnataska in the sixties: "H.S.W.O.M". Think. See you Sunday. I love you, Harry
