Bro. Ed's Epistle - "For You formed my inward parts; You wove me in my mother's womb." Psalm 139:13

God is the God of Life, physically and eternally. In creation He made us the crown of His work and gave us the ability to multiply and fill the earth with people. Because of sin, He has provided a way to experience eternal life. He sent Jesus to die on the cross to pay the death penalty for the sins of the world. He rose from the grave three days later, proving that his sacrifice was sufficient. Now all who trust Him are forgiven of our sins and given the gift of eternal life.

A ministry that we support is involved with God in promoting physical and eternal life. It is our local Sav-A-Life ministry. This month we will have the opportunity to pray for and financially support this great ministry. I trust that you will get involved in our "Baby Bucks" campaign to help fund a vital ministry of life.

I love you and look forward to worship and fellowship with you this week.

Lloyd's Lines – "TO GOD BE THE GLORY"

Thanks to everyone who came to our FIFTH SUNDAY NIGHT SING. There is no Choir anywhere who has more talent than FFHBC. Special thanks to those who participated. Why use outsiders when we have the best here?

"MY ANCHOR HOLDS" – The Lord God is with you wherever you go. (Joshua 1:9). The Lord also says "I will be with you. I will not leave or forsake you." There is a song that says "MY ANCHOR HOLDS". When we are in the middle of suffering or when doubts start threatening our Faith where are our Anchors? There is a little saying that says "We have an anchor that keeps the soul, steadfast and sure while billows roll. Fastened to the rock who cannot move; grounded firm and deep in the Savior's love. So remember, "When we feel the stress of the storm, we learn the strength of the ANCHOR - JESUS CHRIST.

Remember, I love you and do "GOD'S WILL – NOTHING MORE, NOTHING LESS AND NOTHING ELSE" "SING-cerely" Bro Lloyd

HARRY'S HEARTBEAT – My recent birthday was a time to take stock at where I'd been and where I was going. A time to reevaluate my goals and priorities. To ponder the deeper meaning of my life. Have you ever been reading God's word and have a verse you have read many times just jump out at you? Such was my experience recently with the fourth verse of John Chapter 9. My paraphrase --- "I must quickly carry out the mission assigned to me by the one who called me, because there is little time left before the night falls and all my work comes to an end." Author William James said, "The best use of life is to spend it for something that outlasts it." The truth is, only the kingdom of God is going to last. Everything else will someday vanish.

There are people in my life (and yours) whom only we will be able to reach, because of where they live and what God has made us to be. If just one of these will be in heaven because of us, our life will have made a difference for that person's eternity and ours.

Ezekiel 3:17-19 - So let's start looking around our personal mission field and pray, "God, who have you put in my life for me to tell about Jesus?" Old or young, our mission is the same.

See you Wednesday and Sunday! I love you, Harry
