Bro. Ed's Epistle -

"And whoever receives one such child in My name receives Me"
Matthew 18:4

Jesus used a small child to illustrate the truth that the greatest in His kingdom are those who humble themselves like children. But I also think He is speaking literally in this verse. Those who receive, welcome and celebrate children are doing the same for Him. Children are important to Jesus. Next Sunday we will have the opportunity to welcome and celebrate children by our support of our local Sav-A-Life ministry. We will pass around those giant baby bottles so you can help fill them up with cash and checks. It is going to be a great time of worship and celebration. I look forward to seeing you then.

HARRY'S HEARTBEAT -

Is there anything more embarrassing than falling in public? Have you ever slipped and fell in a crowded store or where there were people all around? What is the first thing you try to do? Jump up, see who was looking, and usually say I'm O.K. whether you were or not. I have had my share of such humiliating experiences. We always want to be cool and in control.

Bro Ed. Recently preached a series of messages from the Revelation of John. He asked us to go back and read the book again. As I was reading, it prompted me to write this article.

John said when I saw him (Jesus) I fell at his feet as dead. John didn't jump up embarrassed and try to be cool and in control. He was completely overpowered by a vision of the Glorified Christ. Falling before Jesus is the one place where falling is not humiliating. Falling before Jesus is finally coming to the place where nothing you've ever done matters anymore. In this place "JESUS" is all that matters. Have you fallen lately??

See you Wednesday and Sunday! I love you, Harry
