Bro. Ed's Epistle

"Finally, be strong in the Lord and in the strength of His might."
 Ephesians 6:10

We are living in a dangerous world. There are multiple threats to us that are very real. It was the same way when Paul wrote to the Ephesians. Yet, he could encourage them to be strong, knowing that we can be victorious rather than be victims of evil. The key is the source of overwhelming strength. It is not found in our own power, but in God's power. The word Paul used to describe God's might literally means power without limit that He is willing to use in our behalf. What a mighty God we serve. I look forward to worship and fellowship with you this week. Keep trusting our mighty God.

HARRY'S HEARTBEAT - Two Visions of Peace

Two Artists were each asked to create a painting that illustrated peace. The first artist painted a beautiful scene of a field in the country on a spring day. Flowers and foliage dotted a lush green landscape illuminated by a bright sun in a clear sky.

The second artist created a portrait of a seaside cliff with rocky, jagged edges. The water was choppy, and the sky was filled with dark clouds. A streak of lightning descended from the sky to the water. Battered trees along the cliff were bent under the force of the winds of the coming storm.

The scene did not appear to embody anything peaceful. Yet, tucked into the crevice of the cliff were two little birds safe in their nest. They appeared untouched by the forces of nature raging around them.

As I thought about this, life is much like the scenes in both paintings. Notice, it mentioned a coming storm. Also notice that God had already prepared a place of peace for the two little birds. In our lives we can also see peace, beauty and harmony in nature. Also, peace can be found in the stillness we possess, through Jesus, when all of a sudden our world is turned upside down. If we stop and think, God had already been preparing us for our storm.

Psalm 107:29

See you every Wednesday and Sunday! I love you, Harry
