Thank you so much for participating in our Baby Bucks fundraiser to help us with day to day costs and to help us with all the start up costs. We now have property insurance along with the other liability insurances that we must have to operate. We have our phone and internet up and running and we will contact the gas company to come install the meter this week so we can have heat. After the hot summer our wonderful volunteers had to endure with no air conditioning, we have not been in a hurry for heat. We also had to buy all the supplies needed to perform ultrasounds. A lot of that will be ongoing.

Our nurse manager is now on staff and ultrasounds are being done on our expecting friends so they can get practice scans done to be certified. This is being done every other Tuesday when our God provided trainer is available. God has provided us a wonderful medical team!

Be sure and check out Sav-A-Life Bessemer's Facebook as well as our website, savealifebessemer.org. Our financial partners are so important because you make it possible for us to provide all of the services that we offer.

GOD BLESS YOU AND THANK YOU!!!

Bro. Ed's Epistle "There is one body and one Spirit, just as you were called in one hope of your calling." Ephesians 4:4

Paul constantly emphasized the importance of unity in the church. Nowhere in Scripture is it spelled out more clearly than in Ephesians. While there are many members, there is one church. While there are many churches, there is only one body of Christ. The reason for emphasizing our unity is that it takes every church and every Christian to do the work of evangelism and ministry to the whole world.

Our church is unique, but we are connected to nearly 50 other churches in the Bessemer Baptist Association, over 3000 in the Alabama Baptist State Convention and over 30,000 in the Southern Baptist Convention. In addition to all those churches, we share in what Jesus is doing in the lives of over 2 billion Christians around the world. While we are all a little bit different, may we celebrate the common bond we have in our Lord Jesus.

I thank God for each of you and look forward to fellowship and worship with you this week.

HARRY'S HEARTBEAT – I recently picked up a magazine and read the following article. William McKinley, the 25th U.S. President, once had to choose between two equally qualified men for a key job. He puzzled over the choice until he remembered a long –ago incident.

On a rainy night McKinley had boarded a crowded street car. One of the men he was now considering had also been aboard, though he didn't see McKinley. Then an old woman carrying a basket of laundry struggled into the car, looking in vain for a seat. McKinley gave up his seat to help her.

Remembering the episode, which he called "this little omission of kindness," McKinley decided against the man on the street car. I need to ask myself, would I have got the job?

Our decision, even the small, fleeting ones tell a lot about our character and our Christian testimony. Someone is always watching, Especially Jesus.

See you Wednesday and Sunday! I love you, Harry
