Bro. Ed's Epistle

"Why do you call Me Lord, Lord, and do not do what I say?" Matthew 6:46

Jesus asked this powerful question at the end of His sermon on the Mount. The people had been amazed at His teaching, filled with power and authority. Yet it is obvious that many who were listening to Him were not motivated to obey Him. Jesus' question demands an answer. I pray that all of us at Fairfield Highlands Baptist will turn from just being thrilled at the teaching of Jesus to serve Him as Lord and not just give lip service.

We have an opportunity to experience true revival if we serve Jesus fully. That awakening can begin as we participate in the Hueytown Revival February 15-18. We will hear great music and preaching. May we use that time to open our hearts and receive His gift of revival.

I thank God for you and look forward to worship and fellowship with you this week.

HARRY'S HEARTBEAT – Voltaire, Thomas Paine and Ingersol were avid atheists; during a conversation between two friends the question was asked: "Have you ever studied the lives of any of those fellows?" asked a friend of a Christian steamship captain. "No", he replied, "Well, you should have. You can't fairly turn down their argument until you have thoroughly investigated them for yourself."

"I've been the captain of this ship for a long time," returned the captain. "The chart that was given to me pointed out the deep water that would carry me safely into port. As a young captain, I never considered it advisable to investigate the rocks; the experience I've known others to have with them has been sufficient for me."

"So the Bible I learned at my mother's knee, in Sunday school and from my pastor is my chart for the sea of life. It brings me knowledge of the fathomless sea of God's love and mercy, which if I cast myself upon, will carry me safely to my heavenly port."

I also thank the Lord for my Godly mother, Godly teachers and Godly pastors who gave me a chart for my life. Prov. 22:6

See you Wednesday and Sunday. I Love you, Harry
