Bro Ed's Epistle –

"Cast all your cares on Him because He cares for you." 1 Peter 5::7

Obviously the word 'cares' has more than one meaning. Peter declares that we can cast all our cares on God. That refers to hurts, anxieties and troublesome concerns. The reason we can cast all our cares on God is that He cares for us. That means He has deep concern, compassion and love for us. We can transfer our cares to God for He is big enough to handle anything and everything that comes our way. Cast all your cares on Him today and rest in His presence and provision for you.

It is a joy to serve with you. I look forward to worship and fellowship with you this week.

HARRY'S HEARTBEAT –

A recent daily Bible reading was about Jesus' parable of sowing seed. You would think with over fifty years of gardening and early years on a farm, I would know that everything doesn't always go as you planned it. Like the waste of money, time and labor a couple of years ago with upside down tomatoes. Even though I did everything according to their instructions, total failure. God intended for tomato seeds to be planted in the ground.

I have always gone to the garden shop or nursery to buy my plants, another expensive endeavor. However, last Christmas my son Tommy gave me a small prefab greenhouse, which could hold about two hundred potting containers. So I embark on a new adventure. I go buy a good grade of potting cups. I go buy a good grade of potting soil. I go buy various Berpees seeds to meet my needs. Then with tender loving care, I planted and watered. Because of the cold weather, it was suggested that I put a little heater in with the plants which I did. The specifications on the seed package said the seeds would emerge in 7 to 10 days. So every day for 14 days, I eagerly watched the cups. The old saying a watched pot never boils can be applied to my seed, not one plant emerged.

So back to where we started. I guess my question is which category in Matthew Chapter 13 would Jesus put my seeds in? The planter or the seeds? See you Wednesday Night and Sunday. I love you, Harry.
