**Bro. Ed's Epistle** - "Jesus, remember me when You come in Your kingdom."

Luke 23:42

The dying thief who called out to Jesus on the cross demonstrated the kind of faith which results in salvation and life. Indeed, Jesus declared that he would be with Him in Paradise that day. That thief has inspired untold numbers of people to turn to Jesus before it is too late. Because of that example, he is worthy of remembering. As we celebrate Memorial Day in our nation, we need to truly remember all those who fought and died that we might live freely. Every life given deserves to be remembered by someone. I thank God for everyone who died for our country. Even more importantly, we should thank God that He remembers everyone who trusts Jesus as Lord and Savior. Not one will be forgotten or lost. As we remember those who died for our freedom, may we especially remember and praise our Lord who died that we may have eternal life.

**HARRY'S HEARTBEAT**- Since Bro. Duke was the primary person responsible for me beginning Harry's Heartbeat, I would like to dedicate the next two articles to him.

"My Dear People,

Jacob Walker was a lighthouse keeper on Robbins Reef, off the rocky shore of New England. After years of faithfully minding the lighthouse, he became ill and died. His wife buried his body on the hillside above the shore on the mainland, in view of the lighthouse.

Later she applied for and received the appointment as the keeper of the lighthouse. For 20 years, she carried on alone. A New York reporter went out to get her story. She told him this: "Every evening I stand in the door of the lighthouse and look across the water to the hillside where my husband's body is buried. I always seem to hear his voice saying, as he often said when he was alive, 'Mind the light! Mind the light!'"

As Christ's followers, we are responsible for minding the light. During this special season we have many opportunities to share this light, by giving to missions, by our faithfulness to worship, by our attitude toward others, etc.

Hear these words: "MIND THE LIGHT."

LOOK UP! God is so good,  
 Brother Buck"
