Bro. Ed's Epistle - "Behold, I say to you, lift up your eyes, and look on the fields, that they are white already for harvest." John 4:35

Jesus reminded his disciples that the time for winning the lost to faith in Him was not reserved for a particular time or place. They had gone into town to get food but told no one there that Jesus the Messiah was at the well. Jesus had encountered a sinful woman at the well who went back into town and told everyone about Jesus. The whole town came out to see Jesus and confessed that He is indeed the savior of the world. In less than a month, we will have the opportunity to participate in the Franklin Graham Festival of Hope. Many people will hear the gospel and be saved if we do as the Samaritan woman did and invite people to come. As a matter of fact, we need to continually invite people to come to Jesus. But the Festival of Hope is a wonderful opportunity to get involved in a great spiritual harvest. May we be faithful to worship and witness for Jesus in these trying days.

HARRY'S HEARTBEAT – Super Glue is a marvel of the modern age. A few drops of this amazing liquid has helped me fix broken articles as good as new in just a few minutes. Many a person though, including me, has glued the broken parts back together and our fingers. When we get Super Glue on us, it does not let go without Super Glue Solvent, another marvel of the modern ages.

The same is true of my sins. They stick to me like they are held on by Super Glue. Man's efforts cannot remove them. Only God's grace and power can forgive my sins and cleanse my life. When I ask God, He graciously takes away my sins and buries them in the deepest sea. He separates them from me as far as the east is from the west, and He remembers them against me no more. Psalm 103:12. God is So Good!

Let Him see you Wednesday night and all day Sunday. I Love you, Harry.
