Bro. Ed's Epistle...be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs; singing and making melody with your heart to the Lord." Ephesians 5:18-19

Music is a special gift from God. The best use of music is to render praise, worship, thanks and love to God. We are particularly blessed in our church with talented musicians who help us worship in the Spirit with our hearts. We have a wonderful opportunity to have Wade Hammond with us on Sunday morning. He will lead us in worship through music. His music will inspire you and bless you. But don't make the mistake of thinking w will not have any preaching on Sunday morning. Wade's music will preach the gospel just like the spoken word. I look forward to his being with us. Don't forget to come prepared to share a generous love offering with Wade.

I thank God for what we experienced last Sunday morning. Bro. Harry's testimony was a great blessing, and the Spirit used Him in a special way.

I look forward to worship and fellowship with you this week."

**Thank you for being a part of The Festival of Hope

HARRY'S HEARTBEAT How would you describe the World's Greatest Need in four letters? I like this. Even the great minds will not commit to defining love in writing, and if they did, each would probably disagree. Perhaps no one knows what love really is, and perhaps each of us has a different picture of love. If that is true, then it explains why it is so difficult for any two people to truly love one another.

Author Nellie Stark says it this way. One thing that would solve most of the problems faced by humans today is ... LOVE. Love of parents and family, honest love of oneself, love of country, love of one's mate, love of knowledge, love of the environment, love of fellow man and animals, and the many loves that are really likes and preferences, such as love of the beach or a good book, those are all different. Each has some special quality associated with it. But if each person had a modest degree of each of those kinds of love, the world would be a better place in which to live.

In 1 Corinthians Chapter 13 Jesus gives a list of the marks of love and as he completed His list He tied all down in verse 13. And now abideth faith, hope, love -- these three; but the greatest of these is love. If you love Jesus serve Him.

See you Wednesday and Sunday. God is so Good! I love you, Harry
