Bro. Ed's Epistle

"For we are His workmanship, created in Christ Jesus for good works..."
Ephesians 2:11

Paul uses an interesting word to describe God's work in our redemption. In the original language it is similar to our word "poem". It literally refers to an artistic masterpiece. God's masterpiece is every person who has received Jesus by faith. That includes you. Furthermore, God has put you and me on display for all the world to see. Every day He points to us and says, 'there is my masterpiece'. He does that not to glorify us, but to show others what He can do in their lives if they only trust Him. So let your light shine in order that others may see your good works and glorify God by trusting Jesus as savior and Lord.

It is a joy to serve with you. I look forward to worship and fellowship with you this week.

Harry's Heartbeat –

INFLUENCE: A person's influence will be measured by the end results, good or bad. By a word or action. By an articulate person with perfect speaking ability or by an ordinary person like me.

It is easy to fall into the trap of believing we do not make any difference in the lives of others. We work and work and wonder if what we say or do ever makes a difference in anyone's life. Satan is a master deceiver.

During such times, stories like the one told by baseball great Babe Ruth are encouraging. "Most people who really have counted in my life were never famous. Nobody ever heard of them except those who knew them and loved them. I especially remember an old minister I once knew whose hair was white and whose face was like stone. I have written my name on thousands of baseballs in my life. The old minister wrote his name on just a few hearts. But how I envy him. He was not trying to please himself. Fame never came his way. I am listed as a famous home run hitter, yet beside the obscure minister who was so good and wise, I have never gotten to first base."

What a wonderful testimony to the influence we can make on others' lives. We may think we don't make any difference, but someone's life is better because of what we do.

See you Wednesday and Sunday. God is so Good! I love you, Harry
