Bro. Ed's Epistle –

"In Him was life..." John 1:4

John states that Jesus is the creator of everything and the source of life. He is also the sustainer of life and the object of life. He will be the ultimate judge who determines the eternal destiny of everyone. Because Jesus created and sustains life, we have an obligation to value all life. As a nation, we have miserably failed to value and protect preborn life. Since abortion was legalized, there have been over 58 million of them. We may have killed great presidents, and even those who would have been the discoverer of life saving cures for dreaded diseases. We need to do more to protect the preborn. One of the best ways we can do that is to support our Bessemer Sav-A-Life ministry. I urge you to sign the support sheets for those in our church who will be participating in the walk for life on February 6. You will be blessed, and lives will be saved.

I thank God for you and look forward to worship and fellowship with you this week.
