February is WMU FOCUS month.

Each year at this time we try to bring to focus someone that we feel helps us with promoting WMU and our projects throughout the year.

This year we have selected our pastor, Bro. Ed Cruce! Not only is he a fine preacher/pastor he brings WMU to focus to our church. During our special offerings (Lottie Moon, Annie Armstrong, Kathleen Mallory), he always arranges for our special speakers during these special weeks. He has been known to attend our meetings!! So, Bro. Ed, we appreciate you for all you do. May we have many more years to work with you.

We love you!!

Thank you!!

Bro. Ed's Epistle –

"Repent therefore and return, that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord." Acts 3:19
Peter's second sermon to the people of Jerusalem called for a familiar response--repent and return to the Lord. It also promised an unusual and mind shattering result. Not only would the people receive forgiveness of their sins, they were promised that Jesus would immediately return from heaven and set up His kingdom on earth. "Times of refreshing from the presence of the Lord" is a phrase filled with messianic overtones, and the people of Jerusalem would have known exactly what Peter was saying. Their response, however, was not repentance, but rejection. They arrested Peter and John, and rejected the rule of Jesus in their time.

While we cannot promise the return of Jesus if our nation turns back to God, we can promise a revival of God's presence, protection and power. Wouldn't it be great if God sent revival to our nation and world beginning with our Hueytown Community Revival next week? I urge you to pray for revival and to faithfully attend each service.

I love you and look forward to worship and fellowship with you this week.
