Bro. Ed's Epistle –

"Some of the Pharisees in the crowd said to Him, 'Teacher, rebuke your disciples.'" But Jesus answered, 'I tell you, if these become silent, the stones will cry out!' Luke 19:39-40

What we call Palm Sunday is the event when Jesus entered Jerusalem riding on a donkey, with crowds shouting His praises acknowledging that He is the rightful king and messiah. The Pharisees were so offended that they demanded He get control of His disciples. Jesus' statement that the rocks would cry out indicates that all of creation is a testament to that truth. If rocks created by Jesus recognize Him, why can't the Pharisees? The answer is found in their pride and bigotry. They had rebelled against God so much that they no longer felt any conscience. Has America fallen to that level of rebellion also? I pray not. May we be faithful to praise our Lord and be faithful witnesses for Him in a world that desperately needs Him.

I love you and look forward to worship and fellowship with you this week.
