During a time like this we realize how much our friends and relatives really mean to us. Your expression of sympathy will be remembered.

Thank you so much for the beautiful flowers sent in Mary Helen's memory. She loved flowers so we wanted her to have many. She also loved Fairfield Highlands & really missed going there & seeing her friends.

Thanks again,

Jan Sandlin and the Sandlin Family

Bro. Ed's Epistle –

"Let the word of Christ richly dwell within you, with all wisdom teaching and admonishing one another with psalms and hymns and spiritual songs, singing with thankfulness in your hearts to God." Colossians 3:16
Music is one of the greatest tools for getting the word of God in our hearts and also into the hearts of others. Paul urges the use of all kinds of music in order to advance God's word. Music is also one of the best ways we can worship our Lord. On Easter Sunday, our choir blessed us with one of the best musical presentations I have ever experienced. So many in our congregation expressed their gratitude to me for the rich blessing they received. Thank you, Eddie, Choir and accompanists, and sound men for allowing God to use you in such a wonderful way.

I look forward to worship and fellowship with you this week. Remember, it's Easter every Sunday at Fairfield Highlands Baptist Church.

Our Sympathy and Prayers

go out to the family of:

Earl "Bill" Howton

My Dearest Fairfield Highland Baptist Family,

Words cannot express what this church means to me. To try and find the words make me go insane (more that I am). This church is truly one of the best churches I have ever had the privilege of being a part of. You taught me how to love, serve and give. Your generosity will never be fully known this side of heaven. FFHBC is the type of church that exemplifies the New Testament model. I dare not mention names here for fear that this will turn into the length of a Stephen King novel. You have helped to make me into the pastor that I am today. You disciplined me and taught me to love, cherish and preach the Word of God. Now I have the honor of doing it for a living. The marks of FFHBC have gone all over the world through the Cooperative Program and the many other mission giving this church participates in. I truly want to say thank you for being that church that launched me out many years ago. I love each of you so much.

Bro. Ed, I have always looked up to you as a mentor. You are truly God's man for the ministry at FFHBC. Last weekend I was surprised with a gift from the church. A gift that will always be a part of my ministry, not only here in Georgia, but for life. My parents brought over with them a pulpit that you so graciously gave to me. I had the privilege of preaching behind it on Sunday morning. You will never know what that means to me, Each and every time I see it, I think of all the wonderful memories of FFHBC. I remember a very tall former pastor there tell me one time, "You can't out give God; but it never hurts to try." That has always been the vision of FFHBC. I pray for you daily. I will love you forever. I feel that Summit Baptist Church and FFHBC are kindred spirits. I hope that one day we can be the type of church you exemplified in me so many years ago. You have set the bar high. But with the tools you invested in me and with the Holy Spirit's help, just maybe one day we will get there.

I hope always to make you proud when you hear my name. And when I do the things that might embarrass you, I learned from Bro. Buck, Harry and Randy – it is their fault. Our church is on the internet if you would like to see your gift in action. Go to www.thesummitchurch.com. I will always love you and always hold you deep in my heart, you are a part of me and I in you. Love Always, Jason Rothe
