Bro. Ed's Epistle –

"With him is only an arm of flesh, but with us is the Lord our God to help us and to fight our battles." 2 Chronicles 32:8

The words of king Hezekiah are as true and appropriate today as they were when he first uttered them in 712 B.C. His nation was being threatened by the Assyrian army. Assyria had already captured many nations and had even captured some stronghold cities of Judah and had carried away some citizens as captives. Yet, Hezekiah remained firm and encouraged the residents of Jerusalem. God responded to Hezekiah's faithfulness by sending His death angel into the Assyrian camp to kill 185,000 soldiers. The Assyrian king retreated in humiliation to his home where he was assassinated by two of his sons. The arm of flesh is never equal to our God who helps us. May we always depend on Him in every circumstance of life as an individual, church and nation. It is a joy to serve as your pastor. I look forward to worship and fellowship with you this week.
