Bro. Ed's Epistle –

"Moved with compassion, Jesus stretched out His hand and touched him..." Mark 1:41

When a leper begged Jesus to heal him, Jesus responded in a remarkable way. He touched the man. That was remarkable because Lepers were isolated from society. They had to warn people they met on the street by crying out "unclean". No one in his right mind would touch a leper, because that would bring the uncleanness on himself. Normally, one would be separated from others for a week, then be examined by a priest if he touched a leper. Yet Jesus touched the man. How wonderful that touch must have felt to that leper. It brought him back into the human family, and most importantly, it brought healing and cleansing. Jesus took the leprosy from the man. In the same way, Jesus has reached out to every sinner and brought healing and cleansing to all who believe. Jesus took our sin and in its place has given us righteousness and life. Rejoice as the leper did. The touch of Jesus has brought you into the family of God and made you whole. It is a joy to serve with you in a great mission field. I look forward to worship and fellowship with you this week.
