Bro. Ed's Epistle –

"Let the word of Christ richly dwell within you, with all wisdom teaching and admonishing one another with psalms and hymns and spiritual songs, singing with thankfulness in your hearts to God." Colossians 3:16

Music is one of God's greatest gifts to us. It is all around us in creation. Much music is just noise to some people, but if we listen we can hear beautiful music everywhere. God's creatures sing, from frogs to birds. The Bible even declares that the stars sing. But to me, the most beautiful music is what mankind has produced through instruments and especially with the human voice. We are blessed to have wonderful music in our church every week. I am especially grateful for Eddie's leadership, and for our choir and instrumental musicians.

On Sunday evening at 5:00 P.M. we will have the privilege of worshipping with several other churches in our Association as we host the annual Choir Festival. I urge you to be present for all our services, but especially as we host our sister churches Sunday night. It will be a great time of fellowship and celebration of God's gift of music.
