Bro. Ed's Epistle –

In Him we have redemption through His blood, the forgiveness of our trespasses, according to the riches of His grace which He lavished on us." Ephesians 1:7-8

God's amazing grace has been lavishly poured out on us. That has resulted in many wonderful outcomes. Paul mentions two. First, we have been redeemed through His blood. That means we have been purchased off the slave block of sin at the price of Jesus's own life. By grace, He freely paid the price of our sin in order that we might live eternally with Him. The second is forgiveness of our trespasses. That means our sins are removed from His sight and accounted to us no longer. The word Paul uses for our sins is "trespasses". That refers to our deliberate choice to rebel against God and His word. We have no excuse. We are guilty and deserve the condemnation of death. But God has chosen to forgive us by His grace. Oh what lavish grace we enjoy. May we be free to share the gospel so everyone can experience the forgiveness and redemption we have in Jesus.

I love you and look forward to fellowship and worship with you this week.
