"For You formed me in my inward parts; You wove me in my mother's womb. Psalm 139:13
 I am pro-life because I believe the Bible is God's word. The Psalmist clearly states that God is the creator of life, and that life begins in the mother's womb. Our nation's Declaration of Independence is also pro-life as it declares that all people have the inalienable right to life. In the last 60 years however, America has witnessed over a million abortions a year. It is a national tragedy and a national sin. Thankfully, the tide of public opinion is beginning to turn. More people are beginning to recognize the right of pre-born children to live. I urge you to pray and get involved in promoting the right to life. One of the best ways we can promote life is through our local Sav-A-Life ministry. Every year we receive a special offering for the ministry. I am asking each of you to contribute generously this year. The offering will be received on August 14 this year during our morning worship time. Pray and plan to give generously that day. I thank God for you and look forward to worship and fellowship with you this week.
