## Bro. Eds's Epistle

***"While the earth remains. seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease." Genesis 8:22***

God's covenant with Noah began with His declaration that He would never again destroy the earth by flood. Then He promised that the changing seasons and day and night would remain as long as the earth remains. It is a beautiful expression of God's faithfulness and love for us. As we approach another change of seasons this week, let it be a reminder of God's faithful love for you. I love the fall with its cooler temperatures, changing weather patterns and the lovely colors of the trees and flowers. But even more beautiful is God's faithfulness and love toward us. I love you and look forward to worship and fellowship with you this week.
