Bro. Eds's Epistle

"Then they will see the Son of Man coming in clouds with great power and glory." Mark 13:26

Jesus clearly taught His disciples that He would come again at some time in the future. There are hundreds of Scriptures that affirm His second coming.

Many Bible scholars have tried to put together a timeline of events surrounding Jesus' return. However, it is hard to put together all the details that are given in God's word. But there are several truths that we can know about Jesus' return. First, no one knows the exact time of His return. Second, everyone will see Him when He returns. Also, when He returns it will be in great power and glory. He will come to reign, not to suffer again. The most important truth is simply that Jesus is coming again! Whether our world is in chaos or peace, the truth of Jesus' return is a great comfort to His followers. It will encourage us and motivate us to share the gospel with greater urgency and earnestly look forward to His coming.

As we rejoice in the hope of Jesus' return, may we be faithful to follow Him until He returns or calls us home. I love you and look forward to sharing with you this week in worship and fellowship. Evelyn and I are so thankful for the many expressions of appreciation you have shared with us this month. It is a true joy to serve with you.
