Bro. Ed's Epistle

***"There is one body and one Spirit, just as also you were called
in one hope of your calling..." Ephesians 4:4***

One of the great themes of the apostle Paul was the unity of the church. Although he had been called to minister to the Gentiles, he understood that there must be a sense of oneness in order for the church to grow and prosper. As a result, he did many things to try to bring the church together. We have therefore benefited greatly from Paul's writings which emphasize the necessity of unity in the body of Christ. God's people can do so much more together than we can separately.

We have just had our annual meeting of the Bessemer Baptist Association. It is a privilege for us to join with other churches in our area to promote the gospel together.

I encourage you to pray for our Association and especially our Director of Missions, Dr. Barry Cospers. We really can do more together than we can ever accomplish alone.

I thank God for you and look forward to worship and fellowship with you this week.
