Bro. Ed's Epistle

"But Mary treasured all these things, pondering them in her heart." Luke 2:19

The birth of Jesus was surrounded by the splendor of angels, the brightness of God's glory, the appearance of a new star, and a number of humble shepherds who came to see Him and then shared what they had heard and seen. It might have been easy for Mary to get caught up in all the events she experienced. But Luke tells us that she treasured everything and pondered them in her heart. Mothers are like that. They notice everything about their children and never forget any detail about them. It is a good model for us. We need to constantly study Jesus from the scriptures and treasure every detail about Him. But we also need to be like the shepherds and share what we learn about Jesus. This Christmas season, may we focus anew on Jesus and remember to share the good news about Him everywhere.

Dear Church Family, Thank you so much for your donation we received from your Thanksgiving service. God has truly used you to help us during this time. God has always provided for His work here but sometimes our faith is tested. We should finish out the year just fine. This is a huge encouragement that our friends are thinking about us and so willing to help. Our financial partners makes this all possible – ultrasounds, parenting classes, and just having someone to listen and truly minister to each girl that comes through our doors. We appreciate this gift and pray that God will continue to bless your ministry! Serving together, Sav-A-Life Bessemer
