"And my God will supply all your needs according to His riches in glory in Christ Jesus." Philippians 4:19

The promise of God's abundant provision for us is a precious one. However, we need to look at it in the context of Paul's discussion with the Philippian Christians. He is thanking them for their sacrificial gifts which they have sent to him through the years. Paul's thanksgiving is not only for how God used them to supply his needs, he is also grateful for the blessing that God will give to the Philippians as a result of their generosity. One of the blessings of giving is that God will provide for us when we are generous toward Him and others. Our church will certainly be blessed by God for being generous in giving. Your faithfulness in giving is reflected in your generosity in regular tithes and offerings, in special offerings for missions and various ministries, and your willingness to give generously of your time to make possible everything our church does. I urge you to keep on giving generously to God's work through our church so that we can claim His promise of provision for all our needs, and so that we can be a blessing to others. I missed worship and fellowship with you this past Sunday because of the weather. I look forward to sharing with you this week.
