Bro. Ed's Epistle

"Before I formed you in the womb, I knew you." Jeremiah 1:5

God is the creator of all life. The Bible makes clear that human life begins at conception. God's call to Jeremiah included that truth. Jeremiah did not begin to live at birth. God declared His knowledge of Jeremiah began while he was in his mother's womb. Sunday was sanctity of human life day in most churches. It is set aside to remind us of the preciousness of life from conception until death. As Christians, we are obligated to support and champion the idea that life is sacred to God and deserves to be protected.

There are many things we can do to express our support of the sanctity of life. The best way in my opinion, is to pray for and financially support our local Sav-a-Life ministry. The greatest amount of support comes as a result of their annual walk for life which will be held on February 11 this year. Several of our members will be walking. Please pledge or give your support to them. If you are not asked to support someone, I will be glad to sign you up myself. Just call me or see me before February 11.

I thank God for you and for your generous support of Sav-a-Life. I look forward to seeing you in church this week.
