Bro. Ed's Epistle

"Will You not Yourself revive us again, that Your people may rejoice in You?"

Revival is a much misunderstood term. Many think revival is the same as evangelism. While the results of revival will bring an increase in the number of people who are saved, it is not the same as revival. Revival refers to a renewal of life. It is therefore an experience for saved people, not lost people. When revival occurs, God's people are drawn nearer to Him and are strengthened to serve Him with greater passion than before. The Psalmist asked God to revive His people that we may rejoice in Him. So revival is bound to increase our joy in the Lord. Revival will also trigger greater love for God and His word, and greater love and fellowship among God's people.

On Sunday night, we will participate with many other churches in our area in the Hueytown Revival. The meeting will be held at North Highlands Baptist and will meet each night at 6:30 P.M. I urge you to pray for revival and to attend each service. It will be a blessing and perhaps God will answer our prayers and send a great revival to us.

I love you and look forward to worship and fellowship with you this week.
