### Bro. Ed's Epistle

**"He stood and surveyed the earth; He looked and startled the nations. Yes, the perpetual mountains were shattered, the ancient hills collapsed. His ways are everlasting.**

**Habakkuk 3:6**

The prophet Habakkuk stood in amazement of God. He is so great that He can survey the earth. A mere look can startle the nations. The mountains and hills which seem to be perpetual are temporary when compared to God whose ways are everlasting. It is similar to what the writer of Hebrews declared about Jesus who is the same yesterday, today and forever. The ways of God include how He loves, shows mercy loves justice and punishes evil and rewards good. His consistency is marvelous to behold in everything. He makes it easy to trust Him because He is faithful and His ways are everlasting. I love you and look forward with great anticipation to the opportunity to worship god and fellowship with you this week. As we worship Him, may we focus on His everlasting ways.
