Bro. Ed's Epistle

"...there was none like him among all the kings of Judah, nor who were before him." II Kings 18:5

The assessment of King Hezekiah's rule by the writer of Kings is truly astounding. Hezekiah is the best king who ever served Judah. Even more remarkable is the reason given for Hezekiah's success. First, He trusted the Lord. No one can be truly successful in this life or the one to come without faith in God. Secondly, Hezekiah clung to the Lord. That indicates that Hezekiah wanted to be near the Lord always. He had a desperate desire to hold on to the Lord no matter what came his way. Finally, Hezekiah kept God's commandments. That does not mean that Hezekiah was sinless. It does mean that he loved God and desired to please Him. It also means that he made decisions as the king in a way that honored God's word. Pray that our leaders today will be like Hezekiah. Even more importantly, pray that you and I will be guided by those same principles.

I love you and look forward to fellowship and worship with you this week.
